# HISTORIC PRITZLAFF BUILDING

## Versatility, flow, energy

Step through the gates of history into The Pritzlaff Building and be surrounded by a breathtaking combination of old-world grandeur and modern sophistication, with 28,000 square feet of space perfect for any event. Rich brick walls are graced by dramatic arched windows while industrial age beams tower above rustic wood or cast iron columns.

Here, upscale beauty is embraced from ice sculptures to candle flames; floral elegance mingles effortlessly with concrete floors and echoes classical music just as well as modern beats in this truly one-of-a-kind event space.
