THE DOMES

Experience the outdoors, inside

The three horticultural domes at Mitchell Park Conservatory offer diverse and distinct spaces for corporate events hosted in Milwaukee. The domes are filled with lush floral elements, striking succulent landscapes and winding paths all enclosed by a soaring glass terrarium ceiling. The stunning backdrop complements any event held here and will be sure to entertain and amaze guests.

FLORAL SHOW DOME

With a new historical, cultural or fantasy theme show, the Floral Show Dome is ideal for those who want to be surrounded by beauty and inspiration. Winding paths, gazebos and enchanting floral arrangements are found in this space, with themes ranging from Italian Villa to Spanish Hacienda to Williamsburg Mansion.

DESERT DOME

Hosting a corporate event in the deserts of Africa, the Americas and Madagascar will have your guests remembering the towering cacti and palm-covered paths weaving through this dome. The "island" along the path is home to the magnificent Dragon Tree, one of many unique and interesting features in this venue space.

TROPICAL DOME

This private rainforest in the middle of Milwaukee is filled with vibrant plant and flower species as well as some tropical birds. The rich colors and verdant environment will enchant guests and provide an incredible setting for your unique event.
